JUNE 2026

THE GPP RAVEN

EDITION 2

STUBBORN SATS!

By Kyeya

Everybody would like to say a very big well done to all of the year 6's that went through SATs during the 11th to the 14th of May. Most of the year 6's said that SATs was horrible (but they just say that because they had to sit in silence for a bit!).

We would also like to say a massive well done to Lexi who had to go through SATs with a sprained thumb and a injured scaphoid.

Thank you to all the teachers that helped revising for SATs and during SATs. We would like to also say a thank you to all the year 3,4 and 5's for not being to noisy during all the tests it really helped our focus during the week.

GLEBE NEWS

Happy 100th birthday David Attenborough!

By Lexi and Milo

We had a visitor in Beech class with a box of artifacts which all the children in Glebe enjoyed . We all enjoyed a themed lunch to celebrate Sir Attenbourough's milestone birthday! We all gobbled up the delicious grub!

OPAL UPDATES

By Jenson

Teddies and play toys have arrived in the school and are infesting the school with fun and play!

It seems to be encouraging good play which is looking good from my eyes as the kids are having an amazing time making nursery's and role play - it seems to be real theatre happening out there!

OUTSTANDING OBI!

By Elizabeth Parker

Obi is a fantastic therapy dog that comes in with Sue (his owner) on a Thursday afternoon to have lots of cuddles with children, whilst they talk to her. Obi also joined our school on the litter pick on a Wednesday morning called rejuvenate Newent. Elizabeth (likely to be an famous author) says "I love having cuddles with Obi and talking to Sue."

Kyeya states "Obi is so sweet and cuddly."

Outstanding Obi is also came to the cake sale on the 22nd May with wild Winne.

If you would like to support their charity PAT (pets as therapy) then please do ask for more information!

HIKING WITH A VIKING

By Alex H and JJ

A few weeks ago, yr6/yr5 had a special visitor. A Viking! It wasn't a real Viking (of course) but he did act like one! His name was Bob the Bold (for no other reason than he was brave...) and he brought a variety of tools and weapons including: a Viking instrument; a helmet (turns out they don't have horns); and 2 Viking axes with two special names Gary and Steve!

He started of with a performance with a dancing Viking played by Ben Hale. After that, he went around some classes to show of what he had. One of the greatest things had to be the way he acted and made jokes.

Want to support a local budding artist and get some surprise mail every month?!

What do you get?

You get a postcard, a sticker and a short story about a cute creature. The story is also a chapter so if you submit to this mail every month you can put the chapters together to make a full book. But don't worry the chapters make sense by themselves. If you want more information head to this website:
www.posthou.se/supercuties

PUZZLES

By Angus Tozer and JJ Hill

This puzzle is done by shading in the number of squares that the numbers on the rows and columns tell you. For example: if a column says “10”, then fill in all ten squares, If a row says “6” fill in 6 squares. If it is “0” then don’t fill any.
