THE GPP RAVEN

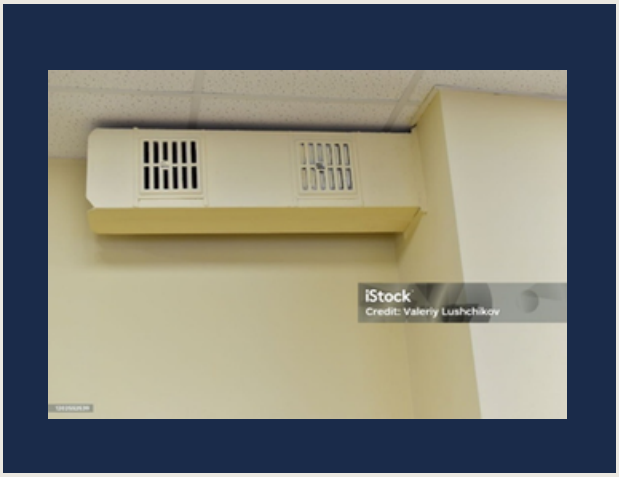
EDITION 1

CREEPY NOISE COMING FROM GIRL'S BATHROOM

By Jenson Fletcher and Alex HIllier

On 28th April, a loud eerie noise started coming from the Y6 girl's bathroom. The noise only occurs when the lights are turned on. Until now the noise has remained unnoticed and the girls have been in darkness.

It has been identified by Mrs Kelly as the air vents and fan.



"It's been going on for ages," Said Lexi (a year 6 girl).

Mr Mitchel is on the scene and is trying his best to fix them. They should be fixed quite soon.

GLEBE NEWS

By Jenson Fletcher and Alex Hillier

Go to the Glebe jumble sale to get the things you need at great bargain prices!

Yesterday the jumble sale kicked off. People from across Glebe donated their unwanted things to the school. Today's jumble sale includes toys, clothes and much more! You'll have another chance to browse for bargains today in the Picklenash hall after school.

OPAL UPDATES

By Kyeya Masonde and Milo Davies

Mrs Clark has opened a music area outside by the year 3&4 toilets. But remember that only 10 people are allowed in at a time.

I interviewed 4 people on how opal has impacted our school. They all had around the same response. Mason said that opal has made playtimes more fun.

Miss Jeffries said children are more active and are open to new things. Mr Isbell said its giving children something to do. Alice said children are getting on better.

THE DESK DRAWER DISASTER!

By Elizabeth Parker

Following a disturbance last Monday, we are shocked to announce that Miss Clark has been robbed. She is determined to find the culprit and is in quite low spirits due to her disappointing surprise...

Last Monday morning during maths, Miss Clark noticed that 3 of her desk drawers were gone! Not only that but everything in them was taken out.

Jenson stated, "I sharpened my pencil straight before handwriting and realised the pots were gone."

Miss Clark desperately needs these pots for maths so if you know about anything please tell your teacher and they will call Hawthorn class. If you don't want to tell anyone then please speak to Miss Clark at lunch.

THE FLIGHT OF THE AMBULANCE

By Lexi Fenton and Leon Mewse

On Monday 20th April, an air ambulance came to the school car park for the whole of GPP federation to see. Plenty of happy children went to the ambulance and sat in the pilot's seat. They also had a badge along with the exciting time they all enjoyed.

During the time we all got to sit in it, we were able to press some buttons and switches. DON'T worry it was not able to fly!

50p Ice Cream Every Wednesday!!!!!

If you want ice cream on a hot Wednesday come to the shack outside the gates nearest to the main road you can get a 50p ice cream.

Don't let your afternoon melt away!!!!!!!!

PUZZLES

By Angus Tozer and JJ Hill

This puzzle is done by shading in the number of squares that the numbers on the rows and columns tell you. For example: if a column says '7', then fill in all seven squares of that column. If a row says 3, then fill in three squares but NO MORE. Some numbers have commas between them. On those numbers, you have a group of touching squares, then a gap, then the next block of squares.
