Spring Term 2

Dear all,

I think it's fair to say that this particular half term has flown by. It certainly has been a short one. That said, it hasn't stopped us packing lots of fun and exciting things in. Not to mention the unexpected disruptions caused by our burst pipe at Glebe last week.

Thank you to all of you who have attended our meetings with teachers. We hope that you enjoyed looking at the children's work and hearing all about their successes. I know teachers find the time with you incredibly useful too. Postponed meetings will take place the week after the Easter break.

I spent a wonderful morning visiting Newent Library with Ash Class. Amanda (who is also the owner of Glebe's therapy dog, Winnie) had set up a carousel of exciting activities all linked to traditional tales. She began by reading to the children before they went off to explore. I was so proud of how they all took part in the activities and listened to the story. They were amazing walking there and back too. They listened carefully to the adults and showed excellent road safety knowledge. Well done, Ash Class.

Earlier this month we celebrated World Book Day. There certainly was a rich and varied array of costumes all linked to anything the children love to read. It was a fun packed day culminating in parents and carers joining us for a mass Reading Together at the end of the day.

Next week, I'm looking forward to joining Oak and Ash Class on their visit to Adam Henson's Farm Park. I really hope the good weather continues.

The safety of our children is paramount for us all. With that in mind, I would like to remind you that parking on the yellow zig-zag lines and/or driving, at speed, at drop off and collection times puts our children in danger. A number of parents have shared with me both their concerns and what they have witnessed. We have passed these onto the relevant authorities and asked that they support us in monitoring and tackling this issue. We ask for your support and to report any concerns you have. Thank you!

All that remains is to wish you all a wonderful Easter break. School finishes, on Thursday at 3.10pm. we return on Monday 13th April.

Best wishes and Happy Easter!

Michelle Kelly

PARKING

This is a plea for you to help us with keeping the children safe at school and relates to parking.

Leaving your car on the yellow zig-zags, on yellow lines, across residential drives or too close to corners is dangerous for the children. It restricts visibility for everyone, especially the children, raising the risk of an accident and injury. Please can I ask that you do not park in these places and find somewhere, safer, a short distance away from school.

We are recommending that any Parents/Carers report any concerns around illegal parking on yellow zig-zag lines to the Police as they have the power to stop it.

Your support with this is appreciated as the children's safety is paramount.

Alternative Parking Arrangements

The Kings Arms Pub have let Parents/Carers use their lower car park in the morning at drop off and at pick up time. They request that people park sensibly in the lower car park and that they stay for no longer than 30 minutes. The pub is only a few minutes' walk from the school.

Our Lady of Lourdes Catholic Church, along Ross Road, has also agreed to let Parents/Carers use their car park and once again we request that if you use this then please could park sensibly and be aware of people walking around you.

New School Dinner Menu

Please see the new Dinner Menu for Summer Term.

Mrs Claridge and her team will also be serving food from around the world every Thursday. Please see below for more details:

- Thursday 16th April - **Japan** – Katsu Chicken & Coconut Rice
- Thursday 23rd April – **Sri Lanka** – Sweet Potato & Coconut Curry
- Thursday 30th April – **Romania** – Musaca de Cartofi
- Thursday 7th May – **West Africa** – Jollof Rice
- Thursday 14th May - **Jamaica** – Jerk Chicken & Macaroni Salad
- Thursday 21st May - **India** – Vegetable Biriyani & Naan
- Thursday 4th June - **Greece** – Chicken Gyros & Feta Salad

- Thursday 11th June – **Poland** – Bigos Stew & Mash Potato
- Thursday 18th June - **Italy** – Spaghetti Carbonara & Caprese Salad
- Thursday 25th June – **Morocco** – Chicken Tagine & Couscous
- Thursday 2nd July – **France** - Croquet Monsieur & Fries
- Thursday 9th July – **America** – Sloppy Joes, Onion Rings, Slaw
- Thursday 16th July – **Mexico** –Beef Burrito & Mexican salad

THE GPP FEDERATION

Desserts	Lemon & raspberry drizzle cake	Orange Jelly Pots	Yogurt & mixed berries	Banana & chocolate marble cake	Assorted puddings

Attendance Update

It's that time of the term again where I am looking at both Glebe and Picklenash's attendance data and comparing it to the Local and National Averages.
I am really pleased to say that Glebe are in line with Local and are above National averages. Picklenash are above Local and National averages.

Local	95%
National	94.8%
Glebe	95%
Picklenash	95.3%

Looking ahead for the final two terms of the academic year, it would be amazing, if we could keep this going and ensure children are in school and on time every day. It makes a huge difference to the children's academic outcomes. There are lots of wonderful things in the Summer Term that will enhance the children's learning experiences.
If you have any questions about attendance, or specifically your child/rens attendance please do get in touch.
You can call the school office or email me at attendance@gppfed.org
I hope you all have a wonderful Easter Break.
Mrs Sleeman – Attendance Champion

Governor Update

GPP Governor's Parent Survey

Thank you for the excellent response we had to our recent survey. It was pleasing to learn that the vast majority of children are happy at school and it is recognised by parents that safeguarding is effective across the schools.

We have taken onboard all the comments made and hear the message that communications from school are not always getting through. We have asked the schools to look into ways of improving this.

We accept that parents still have concerns around behaviour and bullying. This was an area identified by Ofsted for attention and has been a major focus over the past twelve months. Amongst other measures, the schools have revamped their Behaviour and Anti-bullying Policies, continue to support individual pupils to manage their behaviour and have introduced measures to engage children at lunchtime (through OPAL) to alleviate incidents. Although lots of progress is being made, we accept that it will take some time for the impact to become evident to the wider community.

In continually striving to improve pupil engagement, homework has been in transition recently as the schools look at ways to ensure it is purposeful and linked to the curriculum. There will now be an internal review and following consultation with teachers, new ideas will be rolled out in the near-future. In the meantime, the most effective support that an adult can give children is to encourage reading at home; whether that be the child reading or being read to.

We are grateful for the many positive comments about the schools and the perception of the majority that school expects children to work hard and consequently make good progress. It is also pleasing to learn that people feel that the schools are both approachable and welcoming.

Governors will continue to engage with the Senior Leadership Team to look at ways of improving key areas of concern and will report back to you in due course.

Wishing you all a lovely Easter

From the GPP Federation Governing Board

Safeguarding Update

Kids Online Safety Hub 2026 - A new government campaign to upskill parents and their children in spotting toxic, polarising content, and misinformation online. **Please click on the link below to see more information.**

View here

Pupil Absence

If your child is ill then you must contact the school office to let them know by 8.40am. You need to text/email or phone in. If your child has a contagious illness e.g. chicken pox, sickness bug then please advise us which date you think your child will return.

Glebe Reading Together

Thank you so much if you managed to get to one of our Reading Together sessions - it has gone from strength to strength each week and the children absolutely love welcoming you to their classrooms and reading with you.
The sessions will continue after half term so if you didn't manage to come this term there is plenty of opportunity next term.
A reminder that Reading Together begins at 2.45pm every Wednesday and to sign in at Glebe Reception where you will be let in.

OPAL Update

It has been brilliant getting out at lunch time and watching so much amazing play every day going on around various areas of our playground and school field. This term, we have managed to open up our digging area at the top of the field. It has been fantastic to see so many children getting their wellies on and just enjoying digging and getting their hands (and clothes) dirty. Some of the holes they have dug are very impressive. We are hopefully going to open up our messy kitchen early on into next term so more exciting developments coming soon for OPAL.

Mr Davies & Mrs Beale

Children, Phones & Online Safety

A new government campaign to upskill parents and their children in spotting toxic, polarising content, and misinformation online.

Please click on the link below for more information.

Children, phones and online safety | NSPCC

Newent Library

Newent Library have a weekly session, Tuesday 2pm – 4pm, where a member of staff from Citizen's Advice is available to answer questions/offer support and advice.

School Grounds

A general reminder to all Parents/Carers that it is Gloucestershire County Council Policy that no dogs are allowed on to school grounds. There have been several instances of dogs defecating on school grounds.

Can we also remind Parents/Carers that smoking and vaping are strictly prohibited on school grounds.

First Aid & Medical Update

Hello Everybunny,

Spring has arrived and the playground is full of energy and egg-citement. It's been lovely to see the children being truly egg-cellent at getting cleaned up, collecting a plaster and heading straight back to learning and play.

A few quick reminders:

Remember to tell us of any new health conditions your child may have, allergies, asthma etc.

Hop responsibly — excitement and running don't always mix.

Enjoy chocolate treats sensibly to keep everyone feeling their best!!

A big well done to our First Aid Superstars who show kindness by helping friends and telling adults when someone is hurt — you are simply cracking

Wishing all our families a safe, happy and restful Easter break.

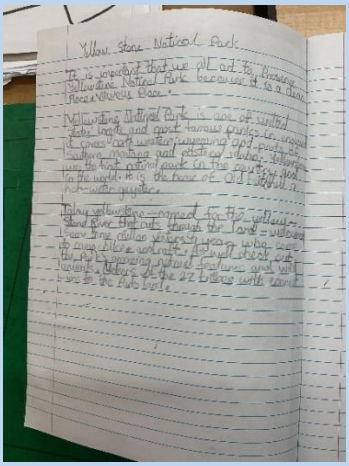
Best Wishes,

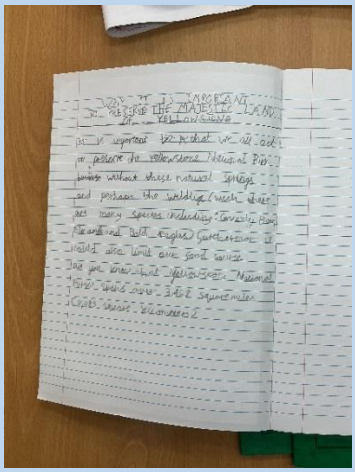
Mrs Gough

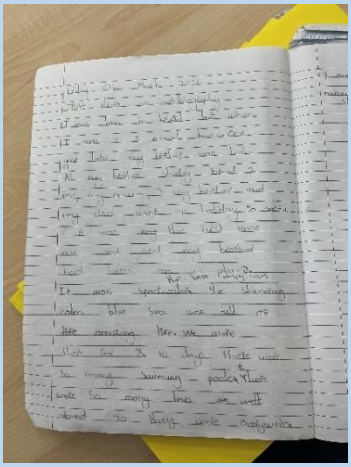
Elm Class:

Elm class has had a wonderful time exploring nature and enjoying special events. The children loved planting radishes and watching them grow day by day, noticing how the tiny green shoots began to appear. We have also been carefully observing our caterpillars as they grow and change, and we are all excited to see them hopefully transform into beautiful butterflies soon. One of our highlights this term was World Book Day, where we especially enjoyed sharing our favourite stories and celebrating our love of reading together.

Elder Class:







In Elder, we have demonstrated that the ordinary person can achieve extraordinary things!!! From Holly, our in-house fashion designer; Taisa, our resident artist; Isaac, our curious and inquisitive scientist/geologist' Sediqa our origami expert and so many more..... read our autobiographies to read more about the amazing children in Elder!!!!!

We have an extraordinary class of children each with their own talents but we have spent this term learning about other people with special talents: from Emma Kok, with a frozen stomach but sings beautifully; to Felix Klieser, who plays the french horn with his feet to Mandy Harvey, a deaf singer.

We have explored extraordinary places: Yellowstone National Park and compared it to FOD and written about why it is so important that we preserve these stunning environments and the flora and fauna in them.

Cedar Class:

We have had some great experiential learning in Cedar this term. We have had the opportunity as part of our RE unit to visit our local church, St Mary's. Here we were treated to a tour around the church by Reverend Mason, a chance to sit at and play the organ, and an opportunity to go up into the bell tower and have a go at ringing some of the church bells (some were definitely hard to ring than others). We have also had lots of fun in PE with our gymnastics unit, with a focus on balances. This led to some great teamwork and collaboration around counter balances.

Maple Class:

In Science this term we have enjoyed learning about the water cycle. We made our own water cycles in zip lock bags and stuck them to our window so we could see how water evaporates and condenses. In Geography, we have learnt about what is far down, beneath our feet and how earthquakes and volcanoes occur. We had our own mini volcanic eruption in the playground using a bottle of cola and mints! We have learnt about what an amazing person Mary Anning was in our writing lessons. We pretended to be her and wrote some wonderful diary entries about our fossil hunting days.

Willow Class:

Willow Class have been very excited with the arrival of caterpillars. Last term we looked at life cycles and this term Willow Class will get to experience a butterfly life cycle. Over the last few weeks, the caterpillars have grown from small to big. The children are hoping that next week, they can witness the next stage of the life cycle - turning into chrysalis.

The children love looking at the caterpillars every day and watching them grow.

Rowan Class:

Rowan class have been learning about survivors this term as part of their Amazing People theme. We've written diary entries as Craig Hoskin, a helicopter pilot who crashed into a volcano in Hawaii, and then we've been learning about Ray Mears, and outdoor survival skills. Rowan have learned to tie knots, locate the North Star, identify animal footprints, and signal SOS. Look out for their own survival guides coming home next week!

Birch Class:

Birch class have enjoyed listening to different styles of music while doing artwork this term. We particularly enjoyed when we listened to some classical versions of our favourite pop songs and did some fantastic Easter artwork for our Easter service at church. We liked using the pastels and blending them to create a background for the cross. We have also greatly enjoyed rehearsing all the songs for the church service- we are all amazing singers in Birch!

Sycamore Class:

Although this has been a short term, it has certainly not been a quiet one in Sycamore Class! We have packed so much into our topic question, *"Can ordinary people do extraordinary things?"* In English, the children have loved researching and learning about inspirational individuals, ranging from writers and gymnasts to musicians. It has been wonderful to see the wide variety of people who inspire our learners and to hear them explain why. We were also incredibly lucky to welcome a visitor who shared her experience of completing the Marathon des Sables, a truly extraordinary achievement. Her story inspired us all and reinforced the importance of resilience, embracing challenges, and believing that with determination, anything is possible.

In Computing, the children have developed their skills using spreadsheets, learning how to input data, calculate totals, create tables and present information through charts to help with analysis. They approached these challenges with great determination, and I have been very impressed with their perseverance. Building on our technology skills, we have also been using iPads creatively, taking nature photographs, editing them and beginning to create short films. These skills will support our upcoming news presentations comparing Yellowstone National Park with the Forest of Dean, which links to our engaging Geography topic. In Art, we explored the work of Vivienne Westwood, learning about what inspired her designs before creating our own pieces based on what matters most to us.

A special mention must go to our Year 6 pupils, who approached their mock SATs with fantastic maturity and a positive attitude during an especially busy week. Well done to all of them. It has truly been an exciting, productive and inspiring term in Sycamore Class.

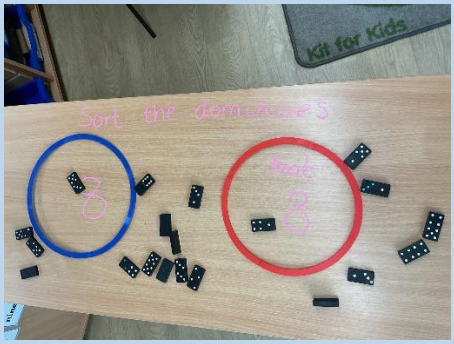
Poplar Class:

It has been a wonderful half term in Poplar Class, with our "Plants" topic taking centre stage. The children have become budding botanists, exploring exactly what plants need to thrive and observing the fascinating ways they grow. Beyond our scientific discoveries, we have thoroughly enjoyed celebrating Chinese New Year and World Book Day together. These highlights, combined with our weekly adventures at Forest School, have made for a truly memorable few weeks of learning and growth.

Beech Class:

Our school was bursting with colour and creativity on World Book Day as children arrived in a fantastic array of costumes inspired by their favourite books. Throughout the day, pupils proudly shared their favourite stories and characters, speaking with real enthusiasm about what they love most in their books. It was wonderful to see their imaginations shine and their big, bright smiles as they celebrated the joy of reading together.

Oak Class:



What a wonderfully busy term it has been in Oak Class. It may have been short, but we certainly packed it full of exciting learning.

Our focus on traditional tales has taken us on quite a journey. We mapped out the journey *Little Red Riding Hood took*, tested materials to help the Three Little Pigs build stronger houses, and explored capacity through Goldilocks' porridge investigations. World Book Day was a highlight, with the children proudly dressing up as their favourite characters. They all looked wonderful. We even managed a trip to the library dressed in our pyjamas to deepen our love of reading!

Jack and the Beanstalk inspired our bean-growing experiment, and we loved our Signs of Spring walk to spot the changes happening around us. Alongside all of this, the children have continued to make fantastic progress in their reading, writing and maths, and we've loved singing together each week.

We were grateful to welcome Pastor Dave, who shared the meaning of Easter for Christians in a child-friendly and thoughtful way. The children asked some brilliant questions and showed our promise of respect by listening superbly.

As we head into the final week, we're looking forward to our trip to the Farm Park, making Easter nests and, of course, our Easter egg hunt.

Thank you once again for your generosity in supporting our fundraising obstacle course event — your kindness makes such a difference to the learning experiences we can offer.

We wish all our families a restful, joy-filled Easter holiday. The children have earned a well-deserved break, and we can't wait to begin our new topic next term… discovering what might be hiding at the bottom of our garden.

Ash Class:

As part of our learning, we enjoyed exploring the story of Jack and the Beanstalk, which inspired our very own beanstalk experiment. The children discussed what plants need to grow, sharing ideas such as water, sunlight, and warmth. We then carried out an investigation, choosing whether to plant our seeds in soil or on a wet paper towel to see which would help our beanstalk grow best. The children are excited to take their beanstalks home and continue caring for them. We would love for you to take photos of your child's beanstalk as it grows and share them on Dojo so we can celebrate and compare everyone's progress together!

Hawthorn Class:

This term we have enjoyed learning about the Yellowstone National Park in North America, this has included doing a dance session where we used hoops to create animals inspired by Native American dances. We have also enjoyed learning about how ordinary people can achieve ordinary things including looking at Vivienne Westwood and designing our own pieces of clothes that stand for something we believe in. It has inspired us all, that ordinary people can all achieve something extraordinary!

"Next Term's Big Questions……."

EYFS – What tiny wonders can we discover at the bottom of our garden?

Year 1/2 – How have people in the past impacted health care & hospitals today?

Year 3/4 – What was Anglo-Saxon Britain like?

Year 5/6 – If the evidence changes, does the truth change?

Key Dates:

Thursday 26th March 2026	School closes for Easter Holidays at 3.10pm
Friday 27th March 2026	INSET Day at Glebe and Picklenash – School Closed

HIGH STREET DAFFODIL HUNT

PICKLENASH SCHOOL DAFFODIL ART HUNT

Find the Daffodils on your high street.

Entry forms can be picked up from:

- Picklenash School
- Flowercraft Florist
- Manna House Coffee Shop

Hunt starts 3pm Friday 20th March and finishes 3pm Friday 27th March

Completed forms can be left at the above venues in the posting boxes.

£50 first prize for correct entry drawn on Friday 27th March and £50 for the Daffodil art.

All prizes kindly donated by the Freemasons of Newent Daffodil Lodge.

#findthatdaff

Beezee FAMILIES

Hello Easter Holidays!

Longer days, lighter mornings and a fresh little window to reset as a family. This Easter break, let's move more, eat well, and feel good together with no pressure, just progress. Here's a few tips to get you started;

Activity 1:

Get active as a family

Park trip, bike ride, or follow along movement video

Activity 2:

Try a mini "mission"

A nature walk, screen free hour, new fruit/ veg, or learn some new dance moves

Activity 2:

Keep it simple with food

Why not bake something wholesome together like Easter carrot cupcakes or wholemeal hot cross buns

Our free Beezee Families programme is here to help you feel healthier and happier as a family. Hop into a healthier you this Easter holidays and see the difference all year round!
